

PRODUCT SUMMARY

SHEET GASKETING

Klinger/Thermoseal Sheet
Garlock Sheet Material
AP Services Sheet Material
Gylon Sheet
Graphite Sheet
Teflon® Sheet
Glass Filled Teflon® Sheet
Thermica Sheet
Neoprene
Gum Rubber
Hypalon
Cloth Inserted SBR Sheet
Diaphragm Sheet
Gore-Tex Sheet
Buna N (Nitrile)
Viton
Silicone
EPDM
Copper
Soft Iron
Vegetable Fiber
Cork
Cork & Neoprene

FABRICATED GASKETS

Turbine & Generator Gaskets
Heat Exchanger Gaskets
Spiral Wound Gaskets
Flex-Pro / Kammprofile
Double-Jacketed
Single-Jacketed
Solid Metal
Ring Joint Gaskets

TEXTILE PRODUCTS

Textured Fiberglass Tape
Textured Fiberglass Drop warp Tape
Folded Treated Fiberglass Yarn/Tape
Ceramic Rope, Twisted
Ceramic Rope, Square Braided
Fiberglass Rope, Twisted
Fiberglass Rope, Round Braided
Fiberglass Rope, Square Braided
Woven Fiberglass Cloth
Non-Asbestos Groove Looting
Tadpole Tape
Aramid Fiber, Twisted
Aramid Fiber, Square Braided
Felt
Orange Welding Cloth
Silica Weld Cloth
Process Tube Seals
Maxsil Cloth

SPECIALIZED PRODUCTS

Expansion Joints (Fabric & Rubber)
Graphite Pressure Seals
Food Grade Gaskets
Expanded PTFE Products
O-rings & O-ring Cord Stock
Oil Seals
Mechanical Seals
Stainless Steel Shim Fabrication
Live-Load Packing Washers
Garco Packing Tools
Allpax Gasket Cutting Tools

MECHANICAL PACKING

Garlock Fugitive Emissions Packing
Nuclear Grade Graphite Yarn
Graphite Filament Yarn
Carbon Yarn
Die-Formed Flexible Graphite
Nuclear Die-Formed Flexible Graphite
Carbon Bushing/Spacer
Braided Flexible Graphite
Braided Flexible Graphite w/ Carbon
Braided Flexible Graphite w/ Inconel
Composite Anti-Extrusion Rings
Pure Teflon ® Soft and Hard
Pure Teflon ® Oxygen Service
Kevlar®
GFO with Kevlar Corners
GFO/Kevlar with Silicone Core
Carbon PTFE Yarn
Hydraulic Packing

SERVICES

OEM Gasket Reverse Engineering
CNC Milling
CNC Lathe
WaterJet Cutting Service
Valve Re-Packing Service
Vendor Stocking Programs
Packing & Gasket App. Training
Fabric Expansion Joint Rebuilds
Mechanical Seal Repair
